

SWIM SPA SHOPPING CHECKLIST

Congratulations! You have taken your first steps towards purchasing your very own swim spa. With this helpful checklist you can simply print and head over to your nearest dealer!

PREP FOR YOUR VISIT

- Take photos of your backyard so you and your dealer can visualize where you see your new swim spa.
- Bring your list of measurements highlighting the areas in mind for your new swim spa.
- Where is your electrical box in relation to where you want to put the swim spa?
- If you plan to use your swim spa year round, think about proximity of swim spa to your house.

GETTING TO KNOW YOU

Answer these questions to help your dealer find the MAAX Spas swim spa that is right for you.

- How much space do you have available for a swim spa?**
- Do you plan on using your swim spa year round?**
- Who will be using the swim spa?**
 - Are they active?
 - Are there young children?
- What do you look for in a swim spa?**
 - Building a stronger connection with family/friends
 - Health and healing with hydrotherapy
 - Year round swimming, training and relaxation
- How do you plan on getting into your swim spa?**
 - Plan to use ladder
 - Subsink the swim spa into the ground
 - Build a wrap around deck

DON'T FORGET TO ASK QUESTIONS

- What is the average monthly energy cost of running a swim spa in my area?
- Will the noise associated with my swim spa bother my neighbors?
- How many years has the manufacturer been around?

- How many years has the dealer been in business?
- What is the warranty on the swim spa as well as all of the components?
- What are the local swim spa pool codes?

TEST THE WATERS

Make the most of your visit and experience first hand all of the amazing features your new swim spa has to offer.

- Swimming & Exercise** - Hop in! There are a variety of different swim lanes and speeds that should be tested to find the exact swim spa that fits your needs.
- Just Listen** - What does this swim spa sound like when it is running? What do you think of the stereo?
- Ease of Use** - Get a basic demonstration of the day-to-day functions you would use for your swim spa. What is the maintenance like? Is it easily serviceable?
- More Importantly** - What about the kids? Is the filtration system safe and easy? Specific features my child(ren) will like.

NOW WHAT?

- Schedule a private "wet test" & don't forget to bring a swimsuit.
- Get Ready** - Discuss the delivery process with your dealer. Will you need a crane?
- Get Excited** - Time to set an install date!
- Get Inspired** - Ask for examples of design ideas from other customers your dealer has worked with to see different options for your swim spa installation. For inspiration check out:
